The RailKing[®] Engine Shed is an excellent addition to any engine facility. With its classic arched windows and two-track interior, the Engine Shed will house your engines handsomely. Like other RailKing RailTown buildings, the Engine Shed is made of durable ABS construction and features inside lighting wired for easy connection.

Engine Shed

INSTRUCTIONS

Set Up

To Wire the Lights: The lighting in the Engine Shed is powered via track power. To set up the building's power, gently turn it upside down and prop it carefully on a soft surface, so you do not damage the decorated shell.

With the transformer turned off, connect the AC hot and AC ground wires from the transformer to the two connection ports indicated on the bottom of the base.

Underside of Engine Shed

To Install onto the Layout: Center the openings in the shed's floor over your track and put carefully into place.

To Remove the Roof: Slide the roof back slightly (1/4 inch) to loosen the hooks, and lift the roof away from the structure. To replace the roof, set it on the structure slightly behind its attached position and slide the roof forward to engage the hooks.

To Flatten the Floor: The center part of the engine shed's floor may bow up from the table and hang up any engines you pull into it. To ensure that the floor is flat, remove the roof and screw the two Phillips screws included into the holes in the center of the floor tightly enough to flatten the floor flush with the table.

Two Screws Holes to Mount Shed to Layout

To change the Light Bulbs: Pull the light bulbs out of their sockets like Christmas tree lights and push in the replacement bulbs. You can obtain replacement bulbs directly from the M.T.H. parts department (phone: 410-381-2580; e-mail: parts@mth-railking.com; mail: 7020 Columbia Gateway Drive, Columbia MD 21046-1532).

SERVICE & WARRANTY INFORMATION

How to Get Service Under the Terms of the Limited One-Year Warranty

For warranty repair, do not return your product to the place of purchase. Instead, follow the instructions below to obtain warranty service as our dealer network is not prepared to service the product under the terms of this warranty.

- First, e-mail, write, call or fax an Authorized M.T.H. Service Center in your area or M.T.H. Electric Trains to obtain Repair Authorization. You can find the list of Authorized Service Centers on the M.T.H. website, www.mth-railking.com. Otherwise, contact M.T.H. (at e-mail: service@mth-railking.com; 7020 Columbia Gateway Drive, Columbia, MD 21046; tel: 410-381-2580; fax: 410-423-0009), stating when the item was purchased and describing the problem. If you contact M.T.H., you will be given a return authorization number to assure that your merchandise will be properly handled upon its receipt.
- **CAUTION: Make sure the product is packed in its original factory packaging including its foam and plastic wrapping material also to prevent damage to the merchandise. The shipment must be prepaid and we recommend that it be insured. A cover letter including your name, address, daytime phone number, e-mail address (if available), Return Authorization number, a copy of your sales receipt and a full description of the problem must be included to facilitate the repairs. Please include the description regardless of whether you discussed the problem with a service technician when contacting the Service Center or M.T.H. for your Return Authorization.**
- **Please make sure you have followed the instructions carefully before returning any merchandise for service.**

Limited One-Year Warranty

All M.T.H.® products purchased from an Authorized M.T.H. Train Merchant are covered by this warranty.

See our website at www.mth-railking.com or call 1.888.640.3700 to identify an Authorized M.T.H. Train Merchant nearby.

M.T.H. products are warranted for one year from the date of purchase against defects in material or workmanship, excluding light bulbs and traction tires. We will repair or replace (at our option) the defective part without charge for the parts or labor, if the item is returned to an Authorized M.T.H. Service Center or M.T.H. Electric Trains within one year of the original date of purchase. This warranty does not cover damages caused by improper care, handling, or use. Transportation costs incurred by the customer are not covered under this warranty.

Items sent for repair must be accompanied by a return authorization number, a description of the problem, and a copy of the original sales receipt from an Authorized M.T.H. Train Merchant, which gives the date of purchase. If you are sending the item to M.T.H., call 410-381-2580, fax 410-423-0009, or e-mail the Service Department at service@mth-railking.com to obtain a return authorization number. If you are sending this product to an Authorized Service Center, contact that Center for their return authorization.

This warranty gives you specific legal rights, and you may have other rights that vary from state to state.
